GOVERNMENT OF KERALA

Water and Power (Electricity-A) Department

NOTIFICATION

No. 3642/ELA1/83/W&P. *Dated, Trivandrum, 7th April*, 1984.

S. R. O. No. 356/84.—Whereas the Government of Kerala have, due to the worsening of the storage position and lower inflows into the Reservoirs during the years 1982 and 1983, issued orders to regulate the supply, distribution and consumption of Electrical energy in Notification No. 3642/ELA1/83/W&P dated the 7th June, 1983, published as S.R.O. No. 729/83 in the Kerala Gazette Extraordinary No. 595 dated the 7th June, 1983, as subsequently amended;

And whereas at present the storage position in Hydel Reservoirs in the State has slightly improved;

And whereas the Government of Kerala are of the opinion that it is necessary to give some relief to the High Tension and Extra High Tension Consumers;

Now, therefore, in exercise of the powers conferred by section 22B of the Indian Electricity Act, 1910 (Central Act 9 of 1910), the Government of Kerala hereby make the following further amendment to the Notification No. 3642/ELA1/83/W&P dated the 7th June, 1983, namely:—

AMENDMENT

In the said notification for paragraph 1, the following paragrah shall be substituted namely:—

"(1) For High tension and Extra High Tension consumers served by the Kerala State Electricity Board and the Licensees other than those mentioned in para 5 below, the power allocation from the first day of April, 1984 shall be equal to the average monthly consumption during the normal working months between July, 1981, and June, 1982. In case the consumption by any consumer exceeds the limit, the supply of electrical energy to such consumer shall be liable to be disconnected. Such excess consumption shall also be subject to a penal charge at the rate of 50 paise per unit in addition to the bill amount as per normal tariff applica-able for the entire consumption.

Explanation:—For the purpose of this paragraph, the expression "normal working month" means any month during which consumption of energy was at least 70% of the highest monthly consumption during the period July, 1981 to June, 1982.

Provided that—

(a) in the case of those new industrial units/expansion units which have started commercial production during the period from January to April, 1982, the normal working months shall be counted between January to November, 1982;

(b) in the case of those new industrial units/expansion units which have started commercial production after April, 1982, the monthly consumption of electrical energy by such units shall not be more than the maximum energy consumption during any month from May, 1982. to November 1982;

(c) in the case of those new industrial units/expansion units which have not entered commercial production stage before December, 1982 and those units which have not been given connection for starting commercial production, the monthly consumption of electrical energy by such units shall not be more than that corresponding to 75% of the contract demand;

(d) Where the quantum of electrical energy required by consumers falling under clause (c) above, is not mentioned in the contract entered into by them with the Electricity Board, 40 (forty) per cent load factor and 0.85 power factor is to be assumed on the 75% of the contract demand in the case of new industrial units/expansion units working 3 shifts for the purpose of arriving at the monthly quota of electrical energy applicable, and in the case of units working lesser number of shifts, this quota will be reduced pro-rata:

(e) industrial units which were under lock-out/strike/lay off during the entire period of July, 1981 to June 1982, shall be classified under clause (b) or under clause (c) whichever is advantageous to the unit."

By order of the Governor,

P. Jadayudai Mony,

Deputy Secretary.

Explanatory Note

(This note is not part of the Notification, but is intended to indicate its general purport.)

In Notification No. 3642/ELA1/83/W&P dated the 7th June, 1983, as amended, Government have inter alia, imposed 10% power cut to High Tension and Extra High Tension Consumers except those mentioned in para 5 of the Notification. Consequent on the improvement in the storage in the Hydel Reservoirs in the State, it has been decided to give 100% power to the High Tension and Extra High Tension Consumers. This notification is intended to achieve the above object.
